WATERBAND

Inspired by a higher calling and deep desire to send sincere positive vibrations into the universe through music, David “Dreadlock Dave” McDougald and John Welton founded Waterband. Their goal being achieved through expressive improvisation and thoughtful lyrical composition. Rick Phillips and Ryan Bair add power & depth to the flow. These four unique personalities present Waterband!

Waterband's form is ever changing, yet ever flowing. Waterband’s sonic depth and dynamic range allows them to perform as an acoustic ensemble or as an electric, face-melting aural assault! Waterband has performed over 1100 shows since forming in 2001. They have released 5 CDs and 1 DVD to critical acclaim.

Take notice of Waterband as they serve a wide variety of music fans. Waterband provides quality music that is both fun and inspiring. When you experience a Waterband show, you feel like you are a part of a family. This family sincerely cares about each other and is always willing to welcome new members with open arms.

Waterband has been described as Folkedelicfunkpop, but ultimately when you order Waterband, you get served up a massive and unique blend of styles & influences spanning all musical genres. Waterband also has the incredible ability to mix up some of the greatest cover songs ever created with their own blend of Folkadelicfunkpop.

Waterband is gearing up for a bright future. Their five full-length CD's are receiving consistent airplay throughout the Continental United States and Europe. Waterband has opened for multiple national acts and they have appeared on numerous radio & television spotlights.

Waterband has continued to gain fans and positive feedback wherever they tour because of their incredible energetic live performances. Acoustic or electric, Waterband continues to turn heads and get people dancing wherever they go. Their talents and musicianship are also starting to gain support through sponsorships. The goals for these guys are very simple: inspire people of all ages to dance & be happy, spread positive vibes through their words & music and keep moving forward. Doing what they love and loving what they do is what keeps this prolific band on the move.
