Global Water

Global Water is an international, non-profit, humanitarian organization focused on providing safe water supplies, sanitation & hygiene facilities for rural villagers in developing countries.
Global Water Statement of Philosophy

Global Water is based upon the belief that the lack of access to safe water is the primary cause of

Hunger  Disease  Poverty

throughout the world.
The Lack of Safe Drinking Water is the Primary Cause of Disease in the World Today
Collecting Water is a Time Intensive and Laborious Task Every Day in the Developing World
Everyone Deserves the Right to Safe Water
Our Outreach Has Been Global

Botswana-Brazil-Guatemala-Honduras-Peru-Indonesia-Kenya-Laos
-Liberia-Nicaragua-Somalia-South Africa-Sudan-Tanzania-Zaire-Zimbabwe
Drilling Wells in Africa
